Dear Mr Poddar

**Nestle Australia Ltd – Exclusive Dealing Notification N31488**

I refer to your letter of 9 August 2006 providing details of consumer contacts in relation to the above matter and your request that the letter be placed on the public register. I confirm that your letter will be placed on the public register.

I would however take this opportunity to note your reference to the provision of the letter in response to the ACCC's correspondence requesting such information on 28 July 2006.

For completeness, I would note that the specific information was sought in ACCC correspondence of 20 July 2006 and in the absence of your response, again on 28 July 2006.

I would also note that the ACCC had throughout this matter sought advice as to details of consumer contacts received by Nestle Australia and details of the number and nature of contacts Nestle Australia receives in relation to its own products. Various responses have been provided, often on a confidential basis.

A copy of this letter will also be placed on the public register.

Yours sincerely

Scott Gregson
