Message:

Dear Mr Webber

I refer to the letters faxed to you earlier this afternoon from the ACCC regarding notifications N41018 and N41019. The letters incorrectly state that notification number N41019 has been assigned to Lenarne Pty Ltd while notification number N41018 has been assigned to JR Investment Company Pty Ltd.

Please note for your records that notification number N41018 has been assigned to Lenarne Pty Ltd while notification number N41019 has been assigned to JR Investment Company Pty Ltd.

Please do not hesitate to contact me should you have any queries. A copy of this fax will be placed on the ACCC's public register.

Regards

Sharon Clancy
