Dear Mr Sellar

**Application for revocation of authorisation A90954 and substitution of new authorisation A91011 lodged by Canberra After Hours Medical Locum Service – draft determination**

The Australian Competition and Consumer Commission (the ACCC) has issued a draft determination in respect of the application for revocation of authorisation A90954 and substitution of new authorisation A91011 lodged by Canberra After Hours Medical Locum Service (CALMS) on 12 September 2006.

A copy of the ACCC's draft determination is attached. For the reasons set out in its draft determination, the ACCC proposes to grant the authorisation until 30 June 2008.

**Next steps**

Once the ACCC issues a draft determination, the applicant or any interested party who may be dissatisfied with the ACCC's draft determination may request that the ACCC convene a 'pre-decision conference'. A pre-decision conference provides the opportunity for interested parties to make oral submissions in relation to the draft determination.

Under the *Trade Practices Act 1974*, the ACCC must set a date within 14 days of which any pre-decision conference must be requested. Accordingly, if you wish the ACCC to hold a pre-decision conference in relation to the draft determination, you must notify the ACCC in writing by **close of business 19 October 2006**. Conferences are conducted informally, without the participation of legal or other professional advisers.

Alternatively, you are also invited to make a written submission in response to the ACCC's draft determination. Written submissions should be lodged by **close of business 27 October 2006** at the following address:

The General Manager  
Adjudication Branch  
Australian Competition & Consumer Commission  
PO Box 1199  
DICKSON ACT 2602

Submissions can also be lodged by e-mail to [adjudication@acc.gov.au](mailto:adjudication@acc.gov.au) or by facsimile on (02) 6243 1211.

Any submission you make will be placed on the ACCC's public register. You may request that information you provide in a submission to the ACCC be excluded from the public register. Information excluded from the public register will still be considered by the ACCC when reaching its decision. Guidelines for claiming information be excluded from the public register are attached for your information.

The ACCC will consider any submissions it receives, including any oral submissions made should a pre-determination conference be called, and will then release a final determination in relation to these applications.

A copy of this letter will be provided to ACT Health.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Sharon Clancy on (02) 6243 1217.

Yours sincerely
