Subject: request for pre decision conference

Dear Cameron

Application for authorisation A91007

As discussed just now, the members of the Coalition of Major Professional Sports (COMPS) would like to request a pre decision conference to discuss the draft Determination issued by the ACCC.

Our preferred venue is Canberra although Melbourne and Sydney are equally convenient if this suits the ACCC.

Subject to it falling within the time period allowable under the Act, (you will advise me if it doesn't) our preference is for the pre decision conference to be conducted in the week starting 23 October (preferably towards the middle to end of the week).

Please contact me if you have any queries. Otherwise I will await your reply. If you could acknowledge receipt of this email request in the meantime it would be appreciated.

Yours faithfully

Michael Rowe
