Dear Mr Gregson

Application for Authorisation – Municipal Association of Victoria (A30244 & A30245)

Thank you for your letter dated 6 October 2006, inviting comments on an application for authorisation by the Municipal Association of Victoria (MAV) regarding a Department of Infrastructure (DoI) bus shelter contract.

The City of Whittlesea supports the application by the MAV. Council officers do not believe there are any significant disadvantages to the approval of the application. In contrast, there are significant benefits to Councils and bus public transport users from Councils being a party to the arrangement with DoI.

If you require any further information or have any queries please contact me on 9217 2224.

Yours sincerely
