Dear Mr Gregson

I refer to your letter of 6 October 2006, seeking Council views in relation to the Municipal Association of Victoria's (MAV's) request for interim authorisation to begin negotiations on a Memorandum of Understanding (MoU) between the Director of Public Transport and Councils on the provision of bus shelter installations and maintenance services.

I wish to advise that the City of Boroondara is supportive of both the MAV's interim and ultimate authorisation applications and has previously given consent to the MAV to apply to the ACCC for authorisation on behalf of the City of Boroondara.

Should you require any further details please contact me.

Yours sincerely
