Dear Mr Gregson

**Nissan Motor Co. (Australia) Pty Ltd ('Nissan')**  
**Amendment of Third Line Forcing Notification: N41024**

We wish to advise you that Nissan has made two small changes to the original Nissan Maxima finance offer which was set out in notification N41024 (lodged 3 October 2006).

These changes are as follows:

- that the offer will now extend through to 31 January 2007 (rather than 31 December 2006 as previously advised); and
- the offer will no longer exclude Government, fleet and rental car purchasers.

Neither of these changes will affect the previously estimated number of persons to whom the conduct relates (as was set out in Form G) due to the fact that the original estimate was conservative and as such included the full range of possible sales.

We do not believe that either of the above changes will in any way materially affect the previously notified conduct.

If you have any questions in relation to these changes or require any further information, please do not hesitate to contact me.

Yours sincerely

David King
