Mr D Hatfield  
A/g General Manager  
Adjudication Branch  
ACCC  
PO Box 1199  
DICKSON ACT 2602

9 February 2006.

Dear Mr Hatfield

**Re: Your reference C2005/1861**

The issue of the ANFIC authorisation application has been discussed at length by APAL management and the APAL Board.

APAL has no objection to the authorisation being granted but questions the need for such action to take place at all. APAL respectfully suggests that before the ACCC makes a decision on this application the legislation covering Plant Breeders Rights and the legislation regarding trade marks be examined and a decision be made as to whether any ruling needs to be made for the proposed activity.

Yours sincerely,

Alma J Reynolds  
Industry Services Manager
