Dear Mr Preston

**Third line forcing notification lodged by City West Water Limited (CWW)  
- notification N41033**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 30 October 2006. The notification has been placed on the ACCC's public register.

I understand the notified conduct to be as follows:

“CWW will require all contractors including those completing works for land developers, and those undertaking capital works projects and operations and maintenance activities for CWW, to use only those products and materials approved by CWW for use in its water supply, recycled water supply, and sewerage systems.”

Legal immunity conferred by the notification came into force on 13 November 2006.

On the basis of the information that you have provided, it is not intended that further action be taken on this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Woodrow Inman on (02) 6243 1088.

Yours sincerely
