■ **RE: Application for authorisation A91019**

Dear Sir/ Madam,

REMONDIS does in principle have no objection for the applicants to jointly tender and contract for the provision of the region's waste collection services.

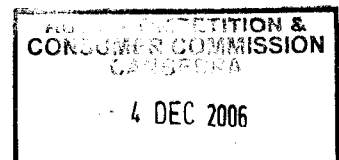

However it must be made clear that the joints applicants will not go out for selective tendering for the proposed the region's waste collection services. The applicants must give all waste management companies the opportunity to be able to tender for the region's waste collection services.

If you have any further queries please do not hesitate to contact me.

Yours sincerely

REMONDIS Pty Ltd

Peter Maré
