Dear Mr Spier

Thank you for providing the underlined version of the Constitution and By-Laws. Could you please confirm that sections 23 to 25 in the By-Laws replace the previous sections 27 to 29.

Regards

Ilona, attached are the BY LAW AND CONSTITUTION changes underlined. The underlined parts totally replace what was there in the previous rules which you have. I do not have a fully marked up version which would simply show major deletions.

Dear Mr Spier

6/12/2006

Thank you for your response to my email of 28 November. I would also appreciate if you would be able to email me a copy of Attachment B - a flow chart of the previous complaints regime, as mentioned in API's application.

It would be appreciated if you could provide this information as soon as possible to allow the ACCC to proceed with interested party consultation.

Regards
