Canberra ACT 2061

Dear Mr Samuel

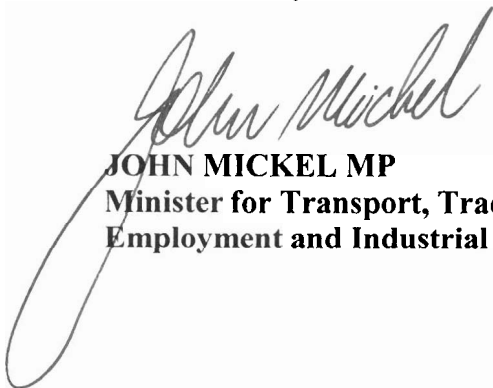

Thank you for the offer to participate in the interested party consultation regarding an application by Dalrymple Bay Coal Terminal (DBCT) Pty Ltd for revocation of A30239-A30241 and substitution by A91060-A91062, as advised by email from Mr Hew Atkin on 27 September 2007.

The Queensland Government is currently working with all stakeholders to ensure that sustainable improvements are made in the efficiency and effectiveness of the supply chain. In addition, QR Limited (QR) is making substantial investments in both rolling stock and network improvements.

DBCT is a private company formed by a number of the users of the DBCT and this application relates to an adjustment of the shipping Queue Management System (QMS) at DBCT. At this stage it is not considered necessary for the Queensland Government to be involved in the interested party consultations.

If you require any further information, please call Mr Patrick Quirk, Director (Ports Planning & GOC Liaison), Queensland Transport on 3306 7473.

Yours sincerely

**JOHN MICKEL MP**
