Subject: FW: Tabcorp/TOTE Super TAB

Dear Monica,

I refer to your letter of * November seeking the views of the AHA on an application for Authorisation of the proposed SuperTAB pooling agreement for Tabcorp and Tote Tasmania.

Advice from our Tasmanian Branch is that this arrangement is essential for the long term viability of the Tasmanian Tote.

The AHA therefore supports the application and the request for an interim arrangement.

Please call if you would like to discuss further.

Yours sincerely

Bill Healey
