Hi Jacqui

I refer to our telephone conversation this morning. As you are aware, the ACCC sought submissions from interested parties with respect to Tabcorp's applications for authorisation A91065 - A91067. To date, the ACCC has received only 1 submission. This submission is attached. The ACCC is expecting to receive a couple more submissions from interested parties early this week. These will be forwarded to you as soon as they are received, and subject to any requests for information to be excluded from the public register

The ACCC is currently progressing with its assessment of the applications for authorisation.
