I refer to the above collective bargaining notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 21 November 2007.

On the information available, the ACCC does not object to the notification. A copy of a document setting out the ACCC's assessment of the notification is attached.

Protection afforded by notification CB00006 will commence on 19 December 2007 and will cease three years from the date of lodgement (21 November 2010). As with any notification, the ACCC may review the notification at a later stage should concerns arise.
