Coalition of Major Professional Sports (COMPS) – Authorisation No. A91007

Dear Mr Kinnane

Thank you for your letter of 1 February 2007 to Ms Joanne Palisi of this office, in which you seek to clarify the department's position in respect of COMPS' application for authorisation. In particular, you note that paragraph 3.21 of the final determination issued by the ACCC on 13 December 2006 may have misinterpreted the department's position, and ask that the ACCC amend this section of the document.

In this regard, I note that the final determination is a record of the ACCC's decision and the ACCC is limited in its ability to change its content. However, the ACCC will address the issue by placing your letter on its public register and website, and by advising all interested parties that were sent a copy of the final determination of your concerns.

A copy of this letter has been placed on the public register. If you wish to discuss this matter further, please contact Cameron Martin on (02) 6243 1107.

Yours sincerely

Scott Gregson
