Dear Mr Cutcliffe,

**Re: Driving Schools Services Providers Notifications N92812 – N92816**

I refer to the above third line forcing notifications lodged with the Australian Competition and Consumer Commission (the ACCC) on 12 February 2007. The notifications have been placed on the ACCC's public register.

You have described the conduct as each Driving Schools Services Provider:

Driving Dynamics Pty Ltd (N92812)  
Trabor Pty Ltd (N92813)  
PA Consulting Pty (Aust) Ltd (N92814)  
Roadsense Pty Ltd (N92815)  
Ativon Scientific Instruments Pty Ltd (N92816)

proposing to offer promotions under which it its customers may obtain discounts from time to time (such as an 8% discount on the price of the driving lessons where more than 5 hours of tuition are purchased), on the condition that they are or will become a member of the NRMA.

Legal immunity conferred by the notifications will come into force on 26 February 2007.

On the basis of the information that you have provided, it is not intended that further action be taken in these matters at this time.

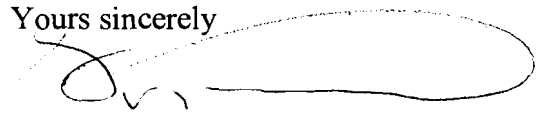

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notifications at a later stage if it is satisfied that the likely benefit to the

public from the conduct will not outweigh the likely detriment to the public from the conduct.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Louise McIntosh on (02) 6243 1272.

Yours sincerely
