Dear Mr Gribble

**Re: GeelongPort Pty Ltd exclusive dealing notification N92776
- interested party submissions**

I refer to the above exclusive dealing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 19 January 2007.

As you are aware, on 1 February 2007 the ACCC wrote to interested parties seeking submissions in relation to the application. The ACCC requested submissions be provided by 19 February 2007.

The ACCC has received two public submissions from Interfert and Impact Fertilisers Australia.

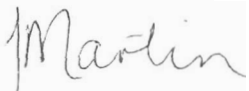

A copy of these submissions is enclosed. All publicly available submissions are also posted on the ACCC internet site at www.accc.gov.au (by following the 'Public Registers' and 'Authorisations and Notifications' links).

A number of concerns in relation to the notified conduct have been raised in interested party submissions. The ACCC would like to meet with your client to discuss issues raised within these submissions and the notified conduct generally. In this regard, we would be happy to come to Geelong and as such, were wondering if we could also arrange a site visit of Lascelles Wharf, in order to fully appreciate the operation of GeelongPort's facility. Jaime Martin will contact you shortly to discuss arranging such a meeting.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Jaime Martin on (03) 9290 1477 or at jaime.martin@acc.gov.au.

Yours sincerely
