Some submissions which are not yet visible on the public register. They will be forwarded to you shortly.

A few submissions are currently being processed and I anticipate that there may be additional submissions lodged early next week. I will inform you of any additional submissions received from interested parties.

The ACCC has also received a confidential submission from an interested party. The issue raised in the submission is that the MOU will enhance Tabcorp's market power considerably.

Should Sky/Tabcorp and TVN wish to provide comments on the issues raised in submissions from interested parties, I would be grateful if any comments could please be provided by **Tuesday 27 March 2007**.
