Dear Ms Arnaud,

Re: Applications for Authorisation A91036-A91040 lodged by Singapore Airlines Ltd on behalf of the Star Alliance members

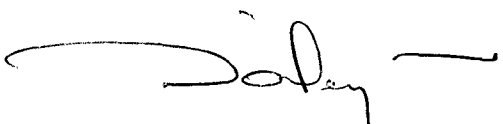

I refer to your letter dated 21 March regarding the above application in respect of the Corporate Plus and Convention Plus programs of the Star Alliance.

Both programs are global products of the Star Alliance and have been implemented in other countries.

The products enable the Star Alliance member airlines to offer reduced and competitive fares on global and multiple itineraries, simplicity of service through one point of contact and a seamless travel experience, which the airlines individually will not otherwise be able to offer. They are in response to consumer demand by corporate and convention organisations who seek these benefits.

The South Australian Tourism Commission believes the programs will have significant public benefits to business and the travel and tourism industry and therefore supports the application.

Yours sincerely

 for **W T (Bill) Spurr**
