Dear Frances / Sam

I have just started looking at the version of the Agsafe Code of Conduct (version 6, January 2006) provided with Agsafe's application. I noticed that articles 8 and 9 of the Code of Conduct do not reflect the changes which Agsafe sought a minor variation for in 2006.

Could Agsafe please provide an updated version of the Code of Conduct which incorporates changes made to articles 8 and 9 and any other changes which may have be made to the Code as soon as possible.

If you have any questions please contact me on 02 6243 1362.

Regards

Danielle
