Dear Mr Gregson

**Re: Agsafe's application for authorisation A91027 - A91030
- Pre-Decision Conference**

Thank you for your invitation to be represented at the Pre-Decision Conference in regard to Agsafe's application.

As noted in our previous comments on the proposal, some chemicals proposed to be managed through this scheme may be listed in the Australian Dangerous Goods Code and as such our dangerous goods legislation applies to the transport of these goods irrespective of the Agsafe proposal. Therefore I do not consider that Queensland Transport has any role in determining this application. Therefore Queensland Transport does not intend to be represented at this conference.

If you require further information, please contact Mr Steve Venning, Land Transport and Safety Division on (07) 3253 4142. Mr Venning will be pleased to assist.

Yours sincerely
