Hello Frances / Sam

Thank you for the responses you have provided so far to my requests for further information. I have some further questions which I was hoping you could assist with.

1. I understand that businesses which are accredited or currently being accredited under the Guardian Program are members of Agsafe. Are businesses which are accredited under the Guardian Program required to pay membership fees because they are a member of Agsafe? If yes, could you please outline the membership fees which apply to businesses?
2. On page 6 of the Public Interest Statement it states 'In addition to the hourly rates detailed above there is a secretariat fee of \$430 plus GST'. Could you please advise how often this fee is charged? For example, is this an annual fee?
3. Clause 4 of the Code of Conduct provides that all persons and organisations involved in the storage, handling, transport and distribution of agricultural and veterinary chemical products shall:

- Only use contractors or sub-contractors who meet Agsafe Accreditation requirements, where applicable

Could you please explain what type of contractors would fall under this provision?

4. On page 3 of the Public Interest Statement it outlines the members of the Agsafe Board and the Accreditation Advisory Committee. Could you please explain what type of organisation:
 - would be a distribution member; and
 - would be an independent member of the Accreditation Advisory Committee.
5. Could Agsafe please provide a copy of the Code of Practice?
6. Also just a reminder could Agsafe please provide all attachments to the Industry Monitoring Reports for the years 2002 – 2006.

If you have any questions please contact me on the number listed below.

Regards

Danielle
