Dear Mr Miller

**IATA application for minor variation to Authorisation A90855  
Cargo Agency System**

I refer to the above mentioned application for minor variation lodged with the Australian Competition and Consumer Commission (the ACCC) on 23 August 2007.

The ACCC has today granted interim authorisation allowing the protection afforded by the authorisation to continue while it considers the merits of the proposed variation.

The ACCC has also commenced public consultation on the application.

Please find enclosed, for your information, a copy of the letter that the ACCC sent today to potentially interested parties as part of its public consultation process.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Ilona Balint on (02) 6243 1113.

Yours sincerely

Scott Gregson
