Subject: Collective Bargaining Notification CB00004 lodged by AMA (Vic) [SEC=UNCLASSIFIED]

Dear Mr Goldberg,

I refer to the notification lodged yesterday by the AMA (Vic) with the Australian Competition and Consumer Commission (the ACCC).

The ACCC has commenced a public consultation process. Please find attached for your information a copy of the letter that the ACCC has sent to potentially interested parties requesting submissions in respect of the notification. Also contained in the letter to interested parties is an indicative timetable.

We will forward to you at the end of the consultation period a copy of all publicly available submissions received in relation to the notification. All public submissions will be also posted on the ACCC Internet site at <www.accc.gov.au>.

In addition, the ACCC would like to request some initial further clarification from you regarding the composition of the group of doctors who are to participate in the proposed collective bargaining with Latrobe Regional Hospital. In particular, the ACCC would like to know how many of the doctors listed are GPs or specialists, and the number of doctors in each speciality.

Further, the ACCC would like to know whether the doctors listed are providing services to Latrobe Regional Hospital on a daily basis or with less frequency, for example once a week, once a month, or on an irregular as needed basis. I note in that regard that some of the doctors listed have addresses in Melbourne.

This email has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact me on 03 9290 1484 or Isabelle Arnaud on 02 6243 1049.

Regards

Louise
