Dear Mr Stamford

**Authorisations A91060-91062 submitted by Dalrymple Bay Coal Terminal Pty Ltd –  
request for material to be excluded from the public register**

I refer to your submission regarding the above application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 5 October 2007.

I have considered your request that personal contact details included in the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the personal contact details included in the submission will not be placed on the public register.

This letter has been placed on the ACCC's public register. Should you have any queries in relation to this matter, please do not hesitate to contact Hew Atkin on (02) 6243 1363.

Yours sincerely

Scott Gregson
