

Bourke, Monica

Hello Monica

I refer to correspondence sent to Fran Thorn dated 12 November 2008 regarding the draft determination in relation to the AMA.

The department does not support the determination. The application made by the AMA is similar to that made by (and granted to) the RDAA (A91078) earlier this year.

Our objection to the application by the AMA and the subsequent draft determination by the ACCC, is on the same grounds as those made in our submission and pre-decision conference regarding authorisation the RDAA application A91078. If you require another copy of this information please let me know.
