Dear Mr Webster

Re: Exclusive Dealing Notification lodged by Jireh International Pty Limited N93224

I refer to the exclusive dealing notification lodged by Jireh International Pty Limited (Jireh) on 17 December 2007 and the ACCC's request for further information initially emailed to you on 19 December 2007.

As you may be aware, in assessing third line forcing notifications the ACCC may revoke a notification if it is satisfied that the likely public benefits will not outweigh the likely public detriments arising from the conduct. The information requested by the ACCC is required in order for the ACCC to conduct its assessment of the notification lodged by Jireh according to the public benefit/detriment test.

Given the length of time which has passed since the further information was initially requested, could you please advise when the ACCC will receive a response to the email of 19 December 2007.

Could you please provide a response to this letter by **cob 20 February 2008**.

Should you have any questions please contact Danielle Staltari on 02 6243 1362.

A copy of this letter will be placed on the ACCC's public register.

Yours sincerely

David Hatfield
