To Whom It May Concern:

On behalf of the Junior Quarter Midgets Australia Ltd, we Karen & David McLean being the directors of JQMA, have reviewed and analysed all correspondence available on the internet that relate to the above matter.

Our conclusion is that we agree with NASR's response on all levels. Further without the current support and control of our division through NASR we believe any change would be detrimental to the future of the Junior Quarter Midgets in Australia with the potential to compromise the safety of it's competitors (children age between 5yr to 16yrs).

The JQMA was accepted as a division with NASR in 2005, whilst we are still in our infancy NASR has played a critical role in its development and we believe the continued support from NASR will further ensure the future of the JQMA in the speedway industry.

For further information on the JQMA please visit www.jqma.com.au . For further clarification on any matter please do not hesitate to contact us.

Kind regards
