Hi ACCC

I'll keep it brief as I'm sure you're inundated  
I must voice my complete disgust with eBay's above mentioned motion  
I cannot see how that enables a fair and just marketplace.

Many people have told me not to bother lodging a complaint as the process you take does not take into consideration the mood of the ebay members, and that the ACCC will be a "toothless tiger " in regards to this case. Gee i hope there're wrong and a right and just ruling is achieved here.

Otherwise many many people will be "sent to the wall"

regards  
Daniel Timson
