Dear ACCC ADJUDICATION,

Ebays enforcing of pay pal on all buyers and sellers will benifit ebay only here are the points i would like to point out

1---As we are in a small community of 750 people All australian post offices will loose millions of dollars through money orders in small communities,this will impact on all small rural towns

2---Pay pal takes 5 to 7 days to pay the buyer ,direct deposite takes over night to appear in sellers accounts,Ebay puts this money on the short term money market to make millions of more dollars for ebay,as well as millions of dollars more through using Ebays pay pal system

3----Allowing Ebay to do this will open up a can of worms to any Large company to do the same, a one payment method to buy there products,if you let ebay do this any company can do the same

4---Any one wishing to buy from ebay will have to open a pay pal account,there is no other choice of which people can choose to make payments,this again eliminates choice

5----Ebay is fooling the australian people by saying pay pal is safe,PAY PAL IS NOT SAFE as ebays charge back system is a joke,This works by anyone saying they have not received an item doing a chargeback,Pal pal takes the money straight out of your pal pal account,this has happened to me twice and both items i had receipts for and proof of payment,the buyers never insured the item yet pay pal still took the money out of my account this amount was over 400 dollars

6---In australia we have a great freedom of choice if the ACCC Allows this Enforcing of ebay to all buyers and sellers,NO ONE IN THE WORLD HAS EVER ALLOWED THIS

7----Australia is also the bunny for this action,no where in the world has ebay ENFORCED THIS POLICY,,LET EBAY DO THIS TO THE REST OF THE WORLD TO SEE IF THEY CAN GET AWAY WITH THIS KIND OF DICTATORSHIP ,ARENT WE A DEMOCRACY

8----Alarm bells should be ringing if the ACCC are so blind to be fooled by this PUSH BY THE EBAY MACHINE,When i pay my pay pal account,Ebay says the safest way is to pay by direct deposite

9---Ebay will not let you pay its fees with pay pal,,EBAY WILL NOT LET A BUYER PAY ITS FEES WITH PAY PAL''''helloo''''This is a complete double standard by EBAY

10,,,PAY PAL IS ALSO USED BY SCAMMERS AND STOLEN CREDIT CARD USERS

11,,,,,There is no competition with This Pay Pal push by ebay,NO ONE WILL BE ABLE TO BUY OR SELL WITHOUT A PAY PAL ACCOUNT,,NO ONE WILL HAVE A CHOICE,,,YES NO ONE WILL HAVE A CHOICE,

12 IF THERE WAS ONE PETROL STATION FORCING ONE PAYMENT METHOD,,THERE WOULD BE NO CHOICE

13---THE BIG CHAIN SUPERMARKETS IF THERE WAS ONE THERE WOULD BE NO CHOICE

14--EBAY PUT IT FEES UP IN POWER SELLERS SHOPS 2 YEARS AGO FROM 5 % TO !0% we had no choice but to pay it,with all the other fees and charges

15---SO I SAY TO THE ADJUDICATION AT ACCC,,BEING A DEMOCRACY LIKE AUSTRALIA PLEASE STOP EBAY FROM ENFORCING WHAT IT IS ABOUT TO DO,,ON AN AUSTRALIAN MARKET WITH A ONE PAYMENT METHOD and no choice to the australian people,When Banks go for more fees so will ebay,THE MUM AND DAD SELLERS ON EBAY THAT MADE EBAY WHAT IT IS''and this relentless lie and push on the australian business people about this EBAY LIE TO MAKE THERE PROFIT MARGIN LARGER TAKING THIS MONEY OUT OF AUSTRALIA IS AGAINST THE RESTRICTIVE TRADE PRACTICE PART 1V S 45 AND S4D

16---OZTION is a smaller version of ebay but for australia and they proudly accept all forms of payment,so WHY LET MILLIONS OF MORE DOLLARS LEAVE AUSTRALIA IN THIS PUSH BY '''feebay''''

17---ACCC PLEASE DO WHAT THE AUSTRALIAN PEOPLE WANT FOR FREE TRADE AND FREEDOM OF CHOICE THANKYOU
