|---------------|---|------|------------|
| Matter name: | eBay International AG exclusive dealing notification N93365 | | |
| ACCC parties | Shane Chisholm | | |
| Other parties | No name given | | |
| | | Date | 18/04/2008 |

The caller provided an oral submission regarding this matter. The caller provided the details of their dealings with PayPal. The caller purchased a mobile phone from a seller on eBay and, contrary to the advertisement, it came without GPS software. The caller complained to the seller and was sent the wrong version of the software, which the caller believed to be an illegal version. The caller then complained to PayPal who backed the seller and the phones are still available for sale from the seller on eBay.
