We would like to make a submission regarding EBay's decision to force users to use PayPal or COD. I believe this is clearly anti-competitive and in an ideal world, EBay should be forced to allow payment via Visa/Mastercard/Amex and to continue allowing bank deposits.

This would allow for EBay users to have various payment options instead of being forced to use EBay's own and therefore increasing EBay's profits.

Kind Regards,
Shane & Nicole Prince
