Dear Sir/Madam

I wish to register my complaint regarding the proposal by eBay for payments to be lodged through Paypal only. I have been a member since December 2003 and have not had a problem. I find the option of Direct Debit quite satisfactory. I resent having Paypal thrust down my throat and feel that it is another way for eBay to reap, or maybe I should say "rip off" more profit. I have spoken with quite a number of eBay members and the feeling appears to be universal.

Thank you for your time and I trust that my letter has at least a small impact on the outcome of the proposal.

Yours sincerely  
Kay Murphy
