Dear Sir/Madam

I wish to lodge an objection to the attempt by eBay to force all buyers and sellers to use their PayPal system to pay for all transactions.

I believe that this is contravention of the Act as it obviously an example of Third line forcing as eBay are the owners of PayPal. I further believe this is an attempt to substantially lessen competition.

For the above reasons I believe the exclusive dealing notification application for immunity lodged by Ebay should not be granted.

Yours sincerely
David Walker
