To ACCC,

I am writing in objection to the new legislations Ebay.com.au is asking for, I have been a user of ebay some years, buying and selling, i have no object to the use of Paypal, but do object very strongly that it is or only use of On-Line payment, our only other method offered is Pick-up and for a lot of people this is not a very used preferance,, women and old people find this practice unsafe in our society, For ebay to be allowed to do this, is taken away our civil right to make mature adult discissions on how we should sell and buy on ebay, Paypal IS NOT AUSTRALIA COMPANY, which takes our money out side Australia, OUR BANK WILL SUFFER HUGH LOSS IF THIS IS ALLOWED TO HAPPEN,ALSO OUR POST OFFICES, the amout of transferring of funds, either by direct debit to accounts, or by personnel depositing to an account, THHE AUSTRALIAN BANKS WILL PAY THE COSTS.. And so will the EbAY Members that end up staying, the buyer will burdon the cost of PAYPAL.. I will follow thousands of members as they leave EBAY, to other sites such as www.oztion.com.au at least they offer a fair go... THIS IS THE AUSTRALIAN WAY, FREEDOM OF CHOICE, FREEDOM OF SPEECH, FREEDOM OF WAY,, IF ALL OUR OTHER WAYS OF PURCHASING AND SELLING ALL OF AUSTRALIA HAVE TO HAVE CHOICES, WHY DOSN'T EBAY,, WE NEED TO KEEP OUR MONEY CIRCULATIONING IN AUSTRALIA .
REGARDS THERESA DOW..
