re : eBay International AG - Notification - N93365

Dear Sirs

I am writing to voice my opposition to application eBay has made to require that all payments must be made via PayPal.

As a seller on eBay a large percentage of my customers do not have, nor do they wish to have, a PayPal account. My fear is that if eBay is allowed to enforce this as the only method of payment I will lose sales.

My other main objection is that I will have to raise the price of the items I sell to cover the commission charged by PayPal.

Thank you for giving me the chance to lodge my opinion.

Regards

Peter Reddy
