**Ok for publication**

**ACCC please keep up the good work and ensure eBay members are not forced to use paypal in any shape or form (even as an enforced option) unless they, as a member, choose to. Words cannot express how insidious paypal are although the experiences cited on the www go some way towards showing you what they're made of.**

**Please fight them all the way; do NOT let them walk all over your just and proper decision arrived at in your Draft.**
