Subject: eBay/PayPal Submisisons

Dear Sir/Madam

I have read the eBay notification and their submissions to the ACCC about exclusive dealing. I have also read many submissions against the proposed conduct and the ACCC's draft notice of revocation.

I agree with the ACCC's draft notice as I believe eBay's proposed conduct would decrease competition and not have an overall public benefit.

I have been selling on ebay since 2004 as a Registered Business and have always accepted direct deposit as payment for an items as well as PayPal. I and my thousands of customers like to have choices, and to be denied will strongly affect my business.

I am on a partial Disability Allowance and this form of selling allows me to take care of my health as well as earn a moest income.

Without it, I know I will not manage financially, emotionally and definitely not physically.

I would appreciate you taking into account my additional comments in this email and thank you for your valued consideration of the matter and eventually to revoke immunity for ebay's PayPal only policy and as stated allow direct deposit only as a payment option if a seller chooses this option.

Regards,

Christine Clarke
Business Owner/Operator
