Hello Monica

Thanks for your time today to discuss the possible organization of a meeting to discuss the notifications lodged by NASR.

After our phone conversation I spoke with other interested parties involved in the Sprintcar Racing side (SCCA) of the notifications and I would like to request that the ACCC convene a conference in relation to the draft notices as per the document dated 11 June 2008< Exclusive dealings notification lodged by NASR and others, on page two.

If you have any matter that you wish to discuss further please don't hesitate to contact me.

Regards

Ian Vale
