Dr Richard Chadwick
General Manager
Adjudication Branch

Dear Sir,
Since June 2002 I have been a seller and buyer on eBay with the user name cabbie_2000. PayPal should offer protection to both seller and buyer, All the prmotion has been about buyers but their are two sides to the PayPal service. Australian sellers do not have any protection with PayPal so why should Australian sellers be forced to offer PayPal to buyers, see the following link: https://www.paypal.com/au/cgi-bin/webscr?cmd=p/gen/ua/policy_spp-outside .
I respectfully request that ACCC reject the eBay application. I am unable to attend in person. Please accept this as my proxy submission to the conference.

Yours sincerely
Ian McAnally
