Subject: Submission re ACCC draft determination definition - 'inland flood'

Dear Sir/Madam

Legal Aid NSW would like to respond to the Draft Determination for application for authorisation lodged by ICA on common definition of 'inland flood'.

Unfortunately, we were not consulted about the draft Determination by the ACCC and so were not aware of the time to respond expiring tomorrow.

Given the importance of this determination to consumers in Australia, Legal Aid NSW's expertise in this area (providing casework, CLE and policy experience in the area of general insurance), we request that we be provided with sufficient time to properly respond to the draft determination.

We kindly ask that ACCC provide Legal Aid NSW until 14 August 2008 to provide a considered response to this important consumer issue.

regards
