Dear Ms Clancy

Application for Authorisation A91088 lodged by the Australian Medical Association (NSW) Limited

We refer to the draft Authorisation issued on 17 July 2008.

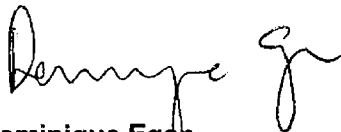

We note that NSW Health made a further submission regarding AMA(NSW)'s application dated 16 July 2008 and received after the finalisation of the draft Authorisation.

Our client notes NSW Health's proposed terms of the Authorisation. Our client is of the view that NSW Health's proposal is, in effect, in the same terms as those of the draft Authorisation.

The terms of the draft Authorisation accurately reflect the terms of the Authorisation sought by our client.

Yours faithfully

TressCox
