

FILE NOTE			
Matter name:	Ice Hockey Australia exclusive dealing notification N94049		
ACCC parties	Lauren Roy		
Other parties	Macquarie Ice Rink (Wendy)		
		Date	21/08/2009

Wendy called to provide an oral submission on behalf of Macquarie Ice Rink regarding this matter.

Wendy disagrees with the notified conduct and submits that as long as all players are covered by insurance, there is no reason to suspend, expel or prevent Ice Hockey Australia (IHA) members from participating in non-sanctioned ice hockey games.

Wendy suggests that players cannot improve without any form of competition, and the notified conduct prevents players from overseas playing in Australia unless they are members of IHA.
