Dear Mr Richardson

**Notification submitted by Kirra Tours (Aust/NZ) Pty Ltd – request for material to be excluded from the public register**

I refer to your notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 28 August 2009 and your letter of today's date.

I have considered your request in today's letter that the spreadsheet attached to the Form G submitted on 28 August 2009 be excluded from the ACCC's public register. The spreadsheet details the various savings to customers under each of Kirra Tours coach tour packages that would arise as a result of the free breakfast and dinner packages.

As you are aware, the ACCC is generally required under section 95 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the spreadsheet will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Clare McGinness on (02) 6243 1049.

Yours sincerely
