Dear Charles

As discussed with Richard Chadwick last week, the ACCC is progressing its assessment of the CFMEU Qld's application for authorisation.

I note that Annexure B of the CFMEU Qld's application contains a list of earthmoving contractors which are the proposed current targets of the collective bargaining arrangements.

The ACCC will attach this list to its draft determination and we would like to ensure that the names of the targets are accurate.

You may recall that we have sought information from you previously about the names of the targets. We have also conducted our own investigations which have helped us to develop the following revised version of Annexure B:

Annexure B: List of Earthmoving Contractors

1. Timms Haulage
2. Byrnes Earthmoving Pty Ltd
3. A.P.A Tippers Pty Ltd
4. Rockin' Haulage Pty Ltd
5. Lantrak Pty Ltd
6. Coastal Tipper Hire Pty Ltd
7. Coast 2 Coast Earthmoving Pty Ltd
8. D&M Plant Hire Pty Ltd
9. Greenies Tippers Pty Ltd
10. North Brisbane Truck Hire
11. Bulk Granite Haulage Pty Ltd
12. Thiess Pty Ltd
13. Boral Construction Materials Ltd
14. Torque Haulage Pty Limited
15. Effective
16. Peter Munns Holdings Pty Ltd
17. Tims Holdings Pty Ltd

Could you please confirm that the above list is accurate? We have not been able to obtain any information about 'Effective'. Could you please confirm that this target exists and if so, provide its proper legal name?

We would appreciate your response to this email by 27 January 2009.

Regards

Sharon
