The Australian Competition and Consumer Commission (the ACCC) has issued a determination in respect of the application for authorisation lodged by Medicines Australia Limited (Medicines Australia) on 30 June 2009.

A copy of the ACCC's determination is attached. For the reasons set out in its determination, the ACCC has decided to grant authorisation until 31 December 2014.

Application for review

Pursuant to section 101 of the *Trade Practices Act 1974*, a person dissatisfied with this determination may apply to the Australian Competition Tribunal for its review. An application for review must be made within 21 days of the date of this determination; that is, on or before 24 December 2009. If no application to review is lodged by this date, the ACCC's determination will come into force on 25 December 2009.

An application for review of the ACCC's determination should be lodged directly with the Australian Competition Tribunal. The Australian Competition Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia.
