Dear Mr Johnson and Ms Henrick

Qantas Airways Limited and British Airways plc application for revocation & substitution A91195 & A91196 - interested party submissions

I refer to the above application for re-authorisation lodged with the ACCC on 16 October 2009 and your submission of 20 November 2009 - 'Submission to ACCC relating to a proposed s87B undertaking'.

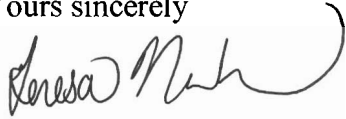

As you are aware, on 24 November 2009 the ACCC wrote to interested parties seeking submissions in relation to the section 87B undertaking proposal. The ACCC requested submissions be provided by 7 December 2009.

The ACCC has not to date received any submissions in respect of the section 87B undertaking proposal. On 15 December 2009, however, the ACCC received a submission from Tourism Australia in respect of the substantive application. A copy is attached. All publicly available submissions are also posted on the ACCC internet site at www.accc.gov.au.

This letter has been placed on the ACCC's public register.

If you wish to discuss any aspect of this matter, or comment on the attached additional submission, please contact Clare McGinness on (02) 6243 1049.

Yours sincerely
