Dear Mr Mitchell

Notification N93414 on behalf of Landcom

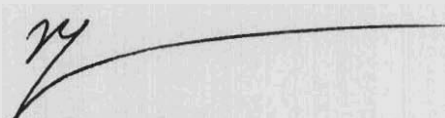

We refer to the above notification lodged on 16 May 2008 and to our conversations with you of 1 July 2008.

As discussed we confirm that Eden Brae Pty Limited has decided to withdraw from the project referred to in this notification and therefore will no longer be a "Pre-Selected Builder" for the purposes of the notified conduct.

We note your advice that the ACCC does not consider this to be a substantive change and that a further notification is not required.

Mirvac and Landcom consent to this letter being placed on the ACCC's public register.

Yours faithfully
Corrs Chambers Westgarth
