Dear Mr Jones

**Subject: Australasian College of Cosmetic Surgery Application for Authorisation
A91106 - Draft Determination**

Thank you for your correspondence dated 20 February 2009, regarding the Australasian College of Cosmetic Surgery (ACCS) application for its Code of Practice. The Tasmanian Department of Health and Human Services has communicated with you previously on this matter and raised a number of concerns with the proposed application. I am writing to advise that the Department supports the Commission's decision to withhold authorisation of the ACCS proposed Code of Practice and accordingly will look forward to participating in further consultation of the revised Code in the near future.

Thank you for advising me of these matters.

Yours sincerely

David Roberts
Secretary
